

## SAFETY DATA SHEET

### Plaster Remover Wipe

#### 1) Identification of the substance/preparation and the company

**Product name:**  
Plaster Remover Wipe

**Company:**  
MYWIPE  
12-14 Grafton Place  
Dukes Park Industrial Estate  
Chelmsford  
Essex  
CM2 6TG  
Tel: 07771 760025  
Fax: 01245 451710

#### 2) Composition/information on ingredients

An oily liquid absorbed on to synthetic towelling sheets.

Ingredient	Einecs No	CAS No	% in product	Symbol	Risk
C12-20 Isoparaffin	265-148-2	64742-48-9	>60%	Xn	R65,66,53,10

The fragrance also contains the following, nominated by the SCCNFP as potential allergens, and requiring them to be included in the ingredients listing as they are present in the finished product @ >0.01%

Ingredient	Einecs No	CAS No
Limonene		5989-27-5
Linalool	201-134-4	78-70-6

#### 3) Hazard identification

Flammable  
Harmful – may cause lung damage if swallowed

#### 4) First aid measures

Inhalation - Ensure patient has good supply of fresh air.

## **9) Physical & chemical properties**

Appearance: Liquid absorbed on to towelling.

Odour: characteristic of lavender and ti tree.

Specific gravity: ~ 0.75 @ 20°C

Flash point: >41C. Product is flammable.

## **10) Stability & reactivity**

Stable and non reactive. Avoid heat, sparks and open flames.

## **11) Toxicological information**

LD 50: Not measured

LC 50: Not measured

This preparation is expected to be non toxic and non irritant under normal or reasonably foreseeable conditions of use.

## **12) Ecological information**

Biodegradability: Not measured. The product is not expected to be readily biodegradable.

Fish toxicity: Not measured. Do not allow to enter soil, waterways or drains.

## **13) Disposal considerations**

Absorb in a non-combustible material and dispose of in accordance with local regulations.

#### **14) Transport information**

When shipping bulk product, care should be taken to ensure compliance with local and national regulations, CHIP regulations and hazchem requirements. No special labelling is required for the finished product.

#### **15) Regulatory information**

Risk phrases:

(For isoparaffin)

R11 Flammable

R53 May cause long term adverse effects in the aquatic environment.

R65 Harmful: may cause lung damage if swallowed.

R66 Repeated exposure may cause skin dryness or cracking.

#### **16) Other information**

Observe national and local legal requirements.
